Comment on Share Price

Aqua Bounty Technologies, Inc. (AIM: ABTX), ("Aqua Bounty" or the "Company") a biotechnology company focused on enhancing productivity in the aquaculture market, notes the fall in the Company's share price today. The Company wishes to make it clear that this movement is not a reflection of any change in the Company's outlook and that its lead product, AquaAdvantage Salmon, is progressing towards approval in line with expectations.

Aqua Bounty continues to have strong cash reserves and the directors are confident that the Company is continuing to make progress towards achieving its objectives.
