PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON MAY 1, 2018

General

This proxy statement is furnished to our stockholders in connection with the solicitation of proxies by our Board of Directors for use at our annual meeting of stockholders to be held on May 1, 2018, at 8:30 a.m. Eastern Time, at the Bostonian Hotel, 26 North Street, Boston, Massachusetts 02109, for the following purposes:

- to elect seven directors to serve on our Board of Directors for a one-year term of office until the next annual meeting of stockholders, with each director to hold office until his or her successor is duly elected and qualified or until his or her earlier resignation or removal;
- to ratify the appointment of Wolf & Company, P.C. as our independent registered public accounting firm for the fiscal year ending December 31, 2018;
- to approve an amendment to the Charter to reduce the number of authorized shares of our Common Stock from 200,000,000 to 50,000,000 and the number of authorized shares of our Preferred Stock from 40,000,000 to 5,000,000; and
- to transact such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

NASDAQ Listing and Intrexon Distribution

On January 18, 2017, we sold 2,421,073 shares of our common stock to Intrexon Corporation (“Intrexon”), a U.S. company listed on NYSE and our largest stockholder, for proceeds of approximately \$25 million. Following the closing of that sale, Intrexon distributed 1,776,557 shares of our common stock that it held prior to that sale via a share dividend to its stockholders (the “Distribution”). Intrexon currently holds approximately 53% of our outstanding common stock. In connection with the Distribution and the sale of common stock, on January 19, 2017, our common stock began “regular way” trading on the NASDAQ Capital Market.

Proxy Materials

A copy of our proxy materials is available, free of charge, on www.proxyvote.com, the SEC website at www.sec.gov, and our corporate website at www.aquabounty.com. By referring to our website, we do not incorporate our website or any portion of that website by reference into this proxy statement.

If your shares are held in more than one account at a brokerage firm, bank, broker-dealer, or other similar organization, you may receive more than one copy of the proxy materials. Please follow the voting instructions on the proxy cards or voting instruction forms, as applicable, and vote all proxy cards or voting instruction forms, as applicable, to ensure that all of your shares are voted. We encourage you to have all accounts registered in the same name and address whenever possible. If you are a registered holder, you can accomplish this by contacting our transfer agent, Computershare, at (800) 736-3001 or in writing to Computershare, PO. Box 30170, College Station, Texas 77842. If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, you can accomplish this by contacting that organization.

Householding of Proxy Materials

Some banks, brokers, and other nominee record holders may be participating in the practice of “householding” proxy statements and annual reports. This means that only one copy of the Proxy Statement and Annual Report on Form 10-K for the year ended December 31, 2017, as applicable, is being delivered to multiple shareholders sharing an address unless we have received contrary instructions. We will promptly deliver a separate copy of any of these documents to you if you write to us at 2 Mill & Main Place, Suite 395, Maynard, MA 01754, Attention: Corporate Secretary or call us at (978) 648-6000. If you want to receive separate copies of the Proxy Statement or Annual Report on Form 10-K in the future, or if you are receiving multiple copies and would like to

receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address or telephone number.

Voting; Quorum

Our outstanding common stock constitutes the only class of securities entitled to vote at the annual meeting. Common stockholders of record at the close of business on March 14, 2018, the record date for the annual meeting, are entitled to notice of and to vote at the annual meeting. On the record date, 12,598,552 shares of our common stock were issued and outstanding. Each share of common stock is entitled to one vote. The presence at the annual meeting, in person or by proxy, of the holders of a majority of the shares of common stock issued and outstanding on March 14, 2018, will constitute a quorum.

All votes will be tabulated by the Inspector of Elections appointed for the annual meeting, who will separately tabulate affirmative and negative votes, abstentions, and broker non-votes. Broker non-votes occur when a nominee, such as a brokerage firm or financial institution, that holds shares on behalf of a beneficial owner does not receive voting instructions from such owner regarding a matter for which such nominee does not have discretion to vote without such instructions. The rules applicable to brokerage firms and financial institutions permit nominees to vote in their discretion on routine matters in the absence of voting instructions from the beneficial holder. The ratification of the appointment of Wolf & Company, P.C. as our independent registered public accounting firm for the fiscal year ending December 31, 2018, is a routine matter. On non-routine matters, nominees cannot vote unless they receive instructions from the beneficial owner. The election of seven directors to serve on our Board of Directors and the approval of the amendment of the Charter to reduce the number of authorized shares of Common Stock and Preferred Stock are non-routine matters. Abstentions and broker non-votes are counted as present for purposes of determining whether there is a quorum for the transaction of business. Broker non-votes will not be counted for purposes of determining whether a proposal has been approved. See “Voting Procedure—Beneficial Owners of Shares Held in Street Name” below.

The election of directors will be by plurality vote of our outstanding shares of common stock represented in person or by proxy at the annual meeting and entitled to vote, and the seven nominees receiving the highest number of affirmative votes will be elected. Votes marked “withhold” and broker non-votes will not affect the outcome of the election, although they will be counted as present for purposes of determining whether there is a quorum.

Ratification of the appointment of Wolf & Company, P.C. requires the affirmative vote of holders of a majority of the shares of our common stock represented in person or by proxy at the annual meeting and entitled to vote on the matter. Abstentions with respect to this proposal will count as votes against this proposal.

Approval of the amendment of the Charter to reduce the number of authorized shares of Common Stock and Preferred Stock requires the affirmative vote of holders of a majority of the outstanding shares of common stock. Abstentions with respect to this proposal will count as votes against this proposal.

Voting Procedure

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Computershare, you are a stockholder of record and you received the proxy materials by mail with instructions regarding how to view our proxy materials on the internet, how to receive a paper or email copy of the proxy materials, and how to vote by proxy. You can vote in person at the annual meeting or by proxy. There are three ways stockholders of record can vote by proxy: (1) by telephone (by following the instructions on the proxy card, or by following the instructions on the internet); (2) by internet (by following the instructions provided on the proxy card); or (3) by mail, (by completing and returning the proxy card enclosed in the proxy materials prior to the annual meeting) or submitting a signed proxy card at the annual meeting. Unless there are different instructions on the proxy card, all shares represented by valid proxies (and not revoked before they are voted) will be voted as follows at the annual meeting:

- FOR the election of each of the director nominees listed in Proposal One (unless the authority to vote for the election of any such director nominee is withheld);
- FOR the ratification of the appointment of Wolf & Company, P.C. as our independent registered public accounting firm as described in Proposal Two; and
- FOR the approval of an amendment to the Charter to reduce the number of authorized shares of our Common Stock and Preferred Stock as described in Proposal Three.

Beneficial Owners of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the beneficial owner of shares held in “street name,” and such organization forwarded to you the proxy materials by mail. There are two ways beneficial owners of shares held in street name can vote by proxy: (1) by mail, by following the instructions on the voting instruction form; or (2) by internet, by following the instructions provided herein. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. If you do not provide such organization with specific voting instructions, under the rules of the various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If such organization does not receive instructions from you on how to vote your shares on a non-routine matter, the organization will

inform our Inspector of Elections that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a “broker non-vote.” A broker non-vote will have the effects described above under “Voting; Quorum.”

Although we do not know of any business to be considered at the annual meeting other than the proposals described in this proxy statement, if any other business is presented at the annual meeting, your signed proxy or your authenticated internet or telephone proxy, will give authority to each of David A. Frank and Christopher Martin to vote on such matters at his discretion.

Depository Interests. If you hold interests in shares of AquaBounty common stock through depository interests outside of the United States, you may instruct Computershare Company Nominees Limited to vote your interests in the manner described in the enclosed form of instruction.

YOUR VOTE IS IMPORTANT. PLEASE VOTE WHETHER OR NOT YOU PLAN TO ATTEND THE ANNUAL MEETING IN PERSON.

You may revoke your proxy at any time before it is actually voted at the annual meeting by:

- delivering written notice of revocation to our Corporate Secretary at 2 Mill & Main Place, Suite 395, Maynard, Massachusetts 01754;
- submitting a later dated proxy; or
- attending the annual meeting and voting in person.

Your attendance at the annual meeting will not, by itself, constitute a revocation of your proxy. You may also be represented by another person present at the annual meeting by executing a form of proxy designating that person to act on your behalf.

Shares may only be voted by or on behalf of the record holder of shares as indicated in our stock transfer records. If you are a beneficial owner of our shares, but those shares are held of record by another person such as a brokerage firm or bank, then you must provide voting instructions to the appropriate record holder so that such person can vote the shares. In the absence of such voting instructions from you, the record holder may not be entitled to vote those shares.

Solicitation

This solicitation is made on behalf of our Board of Directors, and we will pay the costs of solicitation. Copies of solicitation materials will be furnished to banks, brokerage firms, and other custodians, nominees, and fiduciaries holding shares in their names that are beneficially owned by others so that they may forward the solicitation material to such beneficial owners upon request. We will reimburse banks, brokerage firms, and other custodians, nominees, and fiduciaries for reasonable expenses incurred by them in sending proxy materials to our stockholders. In addition to the solicitation of proxies by mail, our directors, officers, and employees may solicit proxies by telephone, facsimile, or personal interview. No additional compensation will be paid to these individuals for any such services. If you choose to access the proxy materials or vote over the Internet, you are responsible for any Internet access charges that you may incur.

Stockholder Proposals for 2019 Annual Meeting

Stockholder proposals that are intended to be presented at our 2019 annual meeting of stockholders and included in our proxy statement relating to the 2019 annual meeting must be received by us no later than November [], 2018, which is 120 calendar days before the anniversary of the date on which this proxy statement was first distributed to our stockholders. If the date of the 2019 annual meeting is moved more than 30 days prior to, or more than 30 days after, May 1, 2019, the deadline for inclusion of proposals in our proxy statement for the 2019 annual meeting instead will be a reasonable time before we begin to print and mail our proxy materials. All stockholder proposals must be in compliance with applicable laws and regulations in order to be considered for possible inclusion in the proxy statement and form of proxy for the 2019 annual meeting.

If a stockholder wishes to present a proposal at our 2019 annual meeting of stockholders and the proposal is not intended to be included in our proxy statement relating to the 2019 annual meeting, the stockholder must give advance notice to us prior to the deadline (the “Bylaw Deadline”) for the annual meeting determined in accordance with our Amended and Restated Bylaws (“bylaws”) and comply with certain other requirements specified in our bylaws. Under our bylaws, in order to be deemed properly presented, the notice of a proposal must be delivered to our Corporate Secretary no later than February [], 2019, which is 45 calendar days prior to the first anniversary of the date on which we mailed the proxy materials for the 2018 annual meeting.

However, if we change the date of the 2019 annual meeting so that it occurs more than 30 days prior to, or more than 30 days after, May 1, 2019, stockholder proposals intended for presentation at the 2019 annual meeting, but not intended to be included in our proxy statement relating to the 2019 annual meeting, must be delivered to or mailed and received by our Corporate Secretary at 2 Mill & Main Place, Suite 395, Maynard, Massachusetts 01754 no later than the close of business on the ninetieth calendar day prior to the 2019 annual meeting or the twentieth calendar day following the day on which public disclosure on the date of the 2019 annual meeting is first made (the “Alternate Date”). If a stockholder gives notice of such proposal after the Bylaw Deadline (or the Alternate Date, if applicable), the stockholder will not be permitted to present the proposal to the stockholders for a vote at the 2019 annual meeting.

All notices of stockholder proposals submitted pursuant to our bylaws must include the following: (i) a description in reasonable detail of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting; (ii) the name and address of the stockholder proposing such business and the beneficial owner, if any, on whose behalf the proposal is made; (iii) the class or series and number of shares of the common stock of the Company that are owned by the stockholder proposing the business to be brought before the annual meeting; (iv) a description of all arrangements or understandings among the stockholder submitting the proposal, the beneficial owner on whose behalf the proposal is made, and any other person or persons in connection with the proposal and any material interest of such stockholder in the proposal; and (v) a representation that the stockholder submitting the proposal intends to appear in person or by proxy at the annual meeting to bring such business before the annual meeting.

We have not been notified by any stockholder of his or her intent to present a stockholder proposal from the floor at this year's annual meeting. The enclosed proxy grants the proxy holders discretionary authority to vote on any matter properly brought before the annual meeting or any adjournment or postponement thereof.

If, however, the nominees named below are unable to serve or decline to serve at the time of the annual meeting, the proxies will be voted for any nominee who may be designated by our Board of Directors. Unless a stockholder specifies otherwise, a returned, signed proxy will be voted FOR the election of each of the nominees listed below.

Corporate Governance Principles

We are committed to having sound corporate governance principles. Having such principles is essential to maintaining our integrity in the marketplace. Our Code of Business Conduct and Ethics and the charters for each of the Audit, Compensation, and Nominating and Corporate Governance (“NCG”) Committees are available on the investor relations section of our corporate website (www.aquabounty.com). A copy of our Code of Business Conduct and Ethics and the committee charters may also be obtained upon request to Corporate Secretary, AquaBounty Technologies, Inc., 2 Mill & Main Place, Suite 395, Maynard, Massachusetts 01754.

Code of Ethics

Our Code of Business Conduct and Ethics applies to all of our outside directors, officers, and employees, including, but not limited to, our Chief Executive Officer and Chief Financial Officer. The Code of Business Conduct and Ethics constitutes our “code of ethics” within the meaning of Section 406 of the Sarbanes-Oxley Act and is our “code of conduct” within the meaning of the NASDAQ listing standards.

Stockholder Communications with Directors

Stockholders may communicate with our directors by sending communications to the attention of the Chairman of the Board of Directors, the Chairperson of a committee of the Board of Directors, or an individual director via U.S. Mail or Expedited Delivery Services to our address at AquaBounty Technologies, Inc., 2 Mill & Main Place, Suite 395, Maynard, Massachusetts 01754. The Company will forward by U.S. Mail any such communication to the mailing address most recently provided by the Board member identified in the “Attention” line of the communication. All communications must be accompanied by the following information:

- A statement of the type and amount of the securities of the Company that the submitting individual holds, if any;
- Any special interest, other than in the capacity of security holder, of the submitting individual in the subject matter of the communication; and
- The address, telephone number, and email address of the submitting individual.

Board Independence

As required by the NASDAQ listing rules, our Board of Directors evaluates the independence of its members at least once annually and at other appropriate times when a change in circumstances could potentially impact the independence or effectiveness of one of our directors.

In February 2018, our Board of Directors undertook a review of the composition of our Board of Directors and its committees and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment, and affiliations, including family relationships, our Board of Directors has determined each of Messrs. Clothier, Huber, and Turk and Ms. St. Clare is an “independent director” as defined under NASDAQ Listing Rule 5605(a)(2). The remaining members of our Board of Directors may not satisfy these “independence” definitions because they are employed by AquaBounty or have been chosen by and/or are affiliated with our controlling stockholder, Intrexon, in a non-independent capacity.

Our Board of Directors has three standing committees: the Audit Committee, the Compensation Committee, and the NCG Committee. As discussed below, each member of the Audit Committee satisfies the special independence standards for such committee established by the SEC and NASDAQ. Because we are eligible to be a “controlled company” within the meaning of NASDAQ Listing Rule 5615(c), and our Board of Directors has chosen to rely on this exception, we are exempt from certain NASDAQ listing rules that would otherwise require us to have a majority independent board and fully independent standing nominating and compensation committees. We determined that we are such a “controlled company” because Intrexon holds more than 50% of the voting power for the election of our directors. If Intrexon’s voting power were to fall below this level, however, we would cease to be permitted to rely on the controlled company exception and would be required to have a majority independent board and fully independent standing nominating and compensation committees.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors understands that board structures vary greatly among U.S. public corporations, and our Board of Directors does not believe that any one leadership structure is more effective at creating long-term stockholder value. Our Board of Directors believes that an effective leadership structure could be achieved either by combining or separating the Chairman and Chief Executive Officer positions, so long as the structure encourages the free and open dialogue of competing views and provides for strong checks and balances. Specifically, the Board of Directors believes that, to be effective, the governance structure must balance the powers of the Chief Executive Officer and the independent directors and ensure that the independent directors are fully informed, able to discuss and debate the issues that they deem important, and able to provide effective oversight of management.

Currently, Dr. Stotish serves as our Chief Executive Officer and President, and Mr. Clothier serves as our Chairman of the Board of Directors. Our Board of Directors believes that this leadership structure, which separates the Chairman and Chief Executive Officer roles, is appropriate for the company at this time because it allows Dr. Stotish to focus on operating and managing the company following our transition to becoming a public company. At the same time, Mr. Clothier can focus on leadership of the Board of Directors, including calling and presiding over Board meetings and executive sessions of the independent directors, preparing meeting agendas in collaboration with the Chief Executive Officer, serving as a liaison and supplemental channel of communication between independent directors and the Chief Executive Officer, and serving as a sounding board and advisor to the Chief Executive Officer. Nevertheless, the Board of Directors believes that “one size” does not fit all, and the decision of whether to combine or separate the positions of Chairman and Chief Executive Officer will vary from company to company and depend upon a company’s particular circumstances at a given point in time. Accordingly, the Board of Directors will continue to consider from time to time whether the Chairman and Chief Executive Officer positions should be combined based on what the Board of Directors believes is best for our company and stockholders.

Our Board of Directors is primarily responsible for assessing risks associated with our business. However, our Board of Directors delegates certain of such responsibilities to other groups. The Audit Committee is responsible for reviewing with management our company’s policies and procedures with respect to risk assessment and risk management, including reviewing certain risks associated with our financial and accounting systems, accounting policies, investment strategies, regulatory compliance, insurance programs, and other matters. In addition, under the direction of our Board of Directors and certain of its committees, our legal department assists in the oversight of corporate compliance activities. The Compensation Committee also reviews certain risks associated with our overall compensation program for employees to help ensure that the program does not encourage employees to take excessive risks.

Board Committees and Meetings

Our Board of Directors has determined that a board consisting of between six and ten members is appropriate and has currently set the number at seven members. Our Board of Directors will evaluate the appropriate size of our Board of Directors from time to time. Our Board of Directors has three standing committees: the Audit Committee, the Compensation Committee, and the NCG Committee, each of which operate pursuant to a written charter adopted by our Board of Directors.

During 2017, each director attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which such director served. Members of the Board of Directors and its committees also consulted informally with management from time to time. Additionally, non-management Board members met in executive sessions without the presence of management periodically during 2017. We do not have a formal policy regarding board members’ attendance at our annual meetings of stockholders, but encourage them to do so; all did in 2017.

Audit Committee. Messrs. Huber and Turk and Ms. St.Clare serve as members of our Audit Committee, and Ms. St.Clare serves as its chair. Each member of the Audit Committee satisfies the special independence standards for such committee established by the SEC and NASDAQ, as applicable. Ms. St.Clare is an “audit committee financial expert,” as that term is defined by the SEC in Item 407(d) of Regulation S-K. Stockholders should understand that this designation is an SEC disclosure requirement relating to Ms. St.Clare’s experience and understanding of certain accounting and auditing matters, which the SEC has stated does not impose on the director so designated any additional duty, obligation, or liability than otherwise is imposed generally by virtue of serving on the Audit

Committee and/or our Board of Directors. Our Audit Committee is responsible for, among other things, oversight of our independent auditors and the integrity of our financial statements. Our Audit Committee held six meetings in 2017.

Compensation Committee. Messrs. Huber and Sterling serve as members of our Compensation Committee, and Mr. Huber serves as its chair. As discussed above, because we are eligible to be a “controlled company” within the meaning of NASDAQ Listing Rule 5615(c), and our Board of Directors has chosen to rely on this exception, we are exempt from certain NASDAQ listing rules that would otherwise require us to have a fully independent Compensation Committee. Our Compensation Committee is responsible for, among other things, establishing and administering our policies, programs, and procedures for compensating our executive officers and board of directors. The Compensation Committee may only delegate its authority to subcommittees of its members. Our Compensation Committee held one meeting in 2017.

Compensation Committee Interlocks and Insider Participation. None of our executive officers serves, or in the past has served, as a member of our Board of Directors or Compensation Committee, or other committee serving an equivalent function, of any entity that has one or more executive officers who serve as members of our Board of Directors or our Compensation Committee. None of the members of our Compensation Committee is also an officer or employee of AquaBounty, nor have any of them ever been an officer or employee of AquaBounty.

Nominating and Corporate Governance Committee. Mr. Clothier is the sole permanent member of our NCG Committee and serves as its chair, inviting other directors to participate in meetings of the Committee as necessary. As discussed above, because we are eligible to be a “controlled company” within the meaning of NASDAQ Listing Rule 5615(c), and our Board of Directors has chosen to rely on this exception, we are exempt from certain NASDAQ listing rules that would otherwise require us to have a fully independent NCG Committee. Our NCG Committee is responsible for, among other things, evaluating new director candidates and incumbent directors and recommending directors to serve as members of our Board committees. Our NCG Committee held one meeting in 2017.

Director Nominees. Our Board of Directors believes that the Board should be composed of individuals with varied, complementary backgrounds who have exhibited proven leadership capabilities within their chosen fields. Directors should have the ability to quickly grasp complex principles of business and finance, particularly those related to our industry. Directors should possess the highest personal and professional ethics, integrity, and values and should be committed to representing the long-term interests of our stockholders. When considering a candidate for director, the NCG Committee will take into account a number of factors, including, without limitation, the following: depth of understanding of our industry; education and professional background; judgment, skill, integrity, and reputation; existing commitments to other businesses as a director, executive, or owner; personal conflicts of interest, if any; diversity; and the size and composition of the existing Board. Although the Board of Directors does not have a policy with respect to consideration of diversity in identifying director nominees, among the many other factors considered by the NCG Committee are the benefits of diversity in board composition, including with respect to age, gender, race, and specialized background. When seeking candidates for director, the NCG Committee may solicit suggestions from incumbent directors, management, stockholders, and others. Additionally, the NCG Committee may use the services of third-party search firms to assist in the identification of appropriate candidates; no fees were paid for such services in 2017. The NCG Committee will also evaluate the qualifications of all candidates properly nominated by stockholders, in the same manner and using the same criteria. A stockholder desiring to nominate a person for election to the Board of Directors must comply with the advance notice procedures of our Amended and Restated Bylaws.

Director Compensation

The Chair of the Audit Committee received \$20,000 per annum, the Chair of the Compensation Committee received \$15,000 per annum, and members of a board committee, except for directors employed and appointed by Intrexon per the Relationship Agreement, received \$5,000 per annum, all payable annually. All non-employee directors, except for directors employed and appointed by Intrexon per the Relationship Agreement, received an annual grant of options to purchase 2,500 shares of our common stock (with an exercise price equal to the fair market value on the date of grant), with vesting over one year.

The nominees receiving the highest number of affirmative votes will be elected.

Our Board of Directors recommends that the stockholders vote FOR the election of the director nominees listed above.

PROPOSAL TWO:

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed the firm of Wolf & Company, P.C. (“Wolf”) to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2018, and is asking the stockholders to ratify this appointment. A representative of Wolf is expected to be present at the annual meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

In the event the stockholders fail to ratify the appointment of Wolf as our independent registered public accounting firm, the Audit Committee may reconsider its selection.

Principal Accountant Fees and Services

Wolf has served as our independent registered public accounting firm since 2011. The aggregate fees billed by Wolf for the professional services described below for the fiscal years ended December 31, 2017 and 2016, respectively, are set forth in the table below.

- (3) For 2017, represents fees for services related to the filing of our Form S-1, Form S-8, and Form 10 registration statements with the SEC, and, for 2016, represents the balance of the fees for services related to the filing of our Form 10 registration statement with the SEC.

Determination of Independence

The Audit Committee of the Board of Directors has determined that the provision by Wolf of the services covered under the heading “All Other Fees” above was compatible with maintaining Wolf’s independence for the fiscal year ended December 31, 2017.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

Under its charter, the Audit Committee must pre-approve all engagements of our independent registered public accounting firm, unless an exception to such pre-approval exists under the Exchange Act or the rules of the SEC. The Audit Committee maintains a policy requiring the pre-approval of all services to be provided by our independent registered public accounting firm. The Audit Committee has delegated to its Chair the authority to evaluate and approve service engagements on behalf of the full Audit Committee in the event a need arises for specific pre approval between Audit Committee meetings. All of the audit, audit-related, tax services, and all other services provided by our independent registered public accounting firm for the 2017 fiscal year were approved by the Audit Committee in accordance with the foregoing procedures.

Vote Required

The affirmative vote of holders of a majority of the shares of our common stock represented in person or by proxy at the annual meeting and entitled to vote on the matter is required to ratify the appointment of Wolf to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

Recommendation of the Board of Directors

PROPOSAL THREE:

APPROVAL OF AN AMENDMENT TO OUR THIRD AMENDED AND RESTATED CERTIFICATE OF INCORPORATION, AS AMENDED, TO REDUCE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

Our Third Amended and Restated Certificate of Incorporation, as amended (the “Charter”) currently authorizes us to issue a total of 200,000,000 shares of Common Stock and 40,000,000 shares of Preferred Stock. Our Board has approved, and is seeking stockholder approval of, an amendment to the Charter (the “Authorized Shares Amendment”) to implement a reduction in the number of shares of authorized Common Stock from 200,000,000 shares to 50,000,000, and in the number of shares of Preferred Stock from 40,000,000 to 5,000,000.

On February 27, 2018, our Board unanimously determined that the Authorized Shares Amendment is advisable and in the best interests of the Company and our stockholders and recommended that our stockholders approve the Authorized Shares Amendment. In accordance with the General Corporation Law of the State of Delaware, we are hereby seeking approval of the Authorized Shares Amendment by our stockholders.

No other changes to the Charter are being proposed, and the Authorized Shares Amendment will not modify the number of shares held by, or the rights of, existing stockholders.

The full text of the proposed Authorized Shares Amendment is attached to this proxy statement as *Appendix A*.

Reasons for the Authorized Shares Amendment

The Board is proposing the Authorized Shares Amendment to reduce the number of authorized shares of our Common Stock and Preferred Stock in order to reflect the reduction in the number of issued common shares that was implemented in January 2017 through a reverse stock split. The Board believes that this change will provide a better balance between authorized and issued shares. In addition, the Company should realize a substantial reduction in franchise taxes, which would benefit all stockholders.

Of the 200,000,000 shares of Common Stock that are currently authorized to be issued under the Charter, as of March 16, 2018, 12,598,552 shares are issued and outstanding, 624,703 are reserved for issuance under our equity plans, and 4,246,153 are issuable upon the exercise of our outstanding warrants. Of the 40,000,000 shares of Preferred Stock that are currently authorized to be issued under the Charter, none are issued and outstanding, and there are currently no outstanding rights to acquire any Preferred Stock. The Board believes that the reduction in the number of authorized shares of Common Stock and Preferred Stock will leave sufficient reserves of authorized but unissued shares (*i.e.*, 32,530,592 shares of Common Stock and 5,000,000 shares of Preferred Stock) for the purposes of fundraising and equity grants under the 2016 Plan for the foreseeable future.

Effectiveness of the Authorized Shares Amendment

If the Authorized Shares Amendment is approved by our stockholders, it will become effective upon the acceptance by the Secretary of State of the State of Delaware of the filing of the Authorized Shares Amendment. Such filing is expected to occur promptly after stockholder approval of this proposal. If this proposal is not approved, the Charter would remain unchanged, and the number of authorized shares of Common Stock and Preferred Stock would remain 200,000,000 and 40,000,000, respectively. Other than as described herein, this proposed Authorized Shares Amendment effects no other changes to the Charter.

Vote Required

The vote of a majority of our outstanding shares of common stock is required to amend the Charter to reduce the number of authorized shares of our Common Stock and Preferred Stock to 50,000,000 and 5,000,000, respectively.

Recommendation of the Board of Directors

Our Board of Directors recommends that the stockholders vote FOR the proposal to approve an amendment to the Charter to reduce the number of authorized shares of Common Stock and Preferred Stock to 50,000,000 and 5,000,000, respectively.

OTHER MATTERS

We do not know of any matters to be presented at the 2018 annual meeting of stockholders other than those mentioned in this proxy statement. If any other matters properly come before the annual meeting, it is the intention of the persons named in the enclosed form of proxy to vote the shares they represent as our Board of Directors recommends.

OWNERSHIP OF SECURITIES

The following table sets forth certain information known to us with respect to the beneficial ownership of our common stock as of March 16, 2018, by (i) each person who, to our knowledge, beneficially owns 5% or more of the outstanding shares of our common stock, (ii) each of our directors and nominees for director, (iii) each named executive officer (as listed in the Summary Compensation Table, which appears later in this proxy statement), and (iv) all current directors and executive officers as a group. Except for shares of our common stock held in brokerage accounts that may, from time to time, together with other securities held in those accounts, serve as collateral for margin loans made from such accounts, none of the shares reported as beneficially owned by our directors or executive officers are currently pledged as security for any outstanding loan or indebtedness.

We have determined beneficial ownership in accordance with the rules of the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. Unless otherwise indicated, the persons or entities identified in this table have sole voting and investment power with respect to all shares shown as beneficially owned by them, subject to applicable community property laws. The table lists applicable percentage ownership based on 12,598,552 shares of our common stock outstanding as of March 16, 2018. The number of shares beneficially owned includes shares of our common stock that each person has the right to acquire within 60 days of March 16, 2018, including upon the exercise of stock options or warrants. These stock options and warrants are deemed outstanding for the purpose of computing the percentage of outstanding shares of our common stock owned by such person but are not deemed outstanding for the purpose of computing the percentage of outstanding shares of our common stock owned by any other person.

- (1) Unless otherwise indicated, the address for each beneficial owner is c/o AquaBounty Technologies, Inc., 2 Mill & Main Place, Suite 395, Maynard, MA 01754.
- (2) Based solely on a Schedule 13D/A filed on January 19, 2018, by Randal J. Kirk, Intrexon, and Third Security, LLC (“Third Security”), Intrexon currently owns 6,700,738 shares of our common stock and has the right to acquire 1,538,461 additional shares upon exercise of warrants purchased by Intrexon on January 17, 2018, which are immediately exercisable. Intrexon therefore currently holds approximately 53% of our outstanding common stock and would own approximately 58% of our common stock upon exercise of the warrants. In addition, entities controlled by Randal J. Kirk, including Third Security and its affiliates other than Intrexon currently hold 837,554 shares of our common stock, or approximately 6% of our shares following exercise of the Intrexon warrants. Based on these holdings, Randal J. Kirk, Intrexon’s Chairman, Chief Executive Officer, and controlling shareholder, and Third Security’s Chief Executive Officer and Senior Managing Director, has reported control over approximately 64% of our outstanding stock following exercise of the Intrexon warrants.
- (3) Based solely on a Schedule 13G/A filed on February 14, 2018, by Abbott Laboratories and Abbott Laboratories (Chile) Holdco SpA, reporting beneficial ownership as of December 30, 2017. Abbott Laboratories (Chile) Holdco SpA is located at Avenida Pedro de Valdivia No 295, Comuna de Providencia, Ciudad de Santiago Region Metropolitana, 7500524 Chile. Western Pharmaceuticals SA was subject to liquidation proceedings at the time of filing, with voting and dispositive control over its shares exercised by a liquidator appointed pursuant to Ecuadoran law.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

AquaBounty Technologies, Inc. is an “emerging growth company,” as defined under the Jumpstart Our Business Startups Act of 2012. As an emerging growth company, under SEC rules, we are not required to include a Compensation Discussion and Analysis section in this proxy statement and have elected to comply with the reduced disclosure requirements applicable to emerging growth companies. In preparing to become a public company, we conducted a thorough review of all elements of our executive and director compensation program, including the function and design of our equity incentive programs. We are evaluating the need for revisions to our executive compensation program to ensure our program is competitive with those of the companies with which we compete for executive talent and is appropriate for a public company.

- (2) Represents discretionary cash incentive awards paid for performance during the 2016 fiscal year.
- (3) The Option Awards included for each individual consists of stock option awards granted under the 2016 Plan. The value for each of these awards is its grant date fair value calculated by multiplying the number of shares subject to the award by the fair value of the stock option award on the date such award was granted, computed in accordance with FASB Accounting Standards Codification Topic 718. The following table summarizes the number of stock option awards granted, the grant date, and the fair value of the stock option award to calculate the total grant date fair value for the option awards reported. The fair value of the stock option grants was measured as of the date of the grant using the Black-Scholes calculation. The assumptions included an expected stock price volatility of 78%, a risk-free interest rate of 1.8%, a dividend yield of 0%, and an expected life of five years.

Name	Number of Stock Option Awards	Grant Date	Per Share Fair Value	Total Grant Date Fair Value
R. Stotish	20,000	April 21, 2017	\$ 4.55	\$ 91,000
D. Frank	10,000	April 21, 2017	\$ 4.55	\$ 45,500
A. Rojas	5,000	April 21, 2017	\$ 4.55	\$ 27,300

- (4) Amounts represent our contributions under our 401(k) plan and other benefits.

In 2017, we paid base salaries to Dr. Stotish, Mr. Frank, and Dr. Rojas of \$363,090, \$273,833, and \$227,083, respectively. As of December 31, 2016, the base salaries of Dr. Stotish, Mr. Frank, and Dr. Rojas were \$350,659, \$263,172, and \$215,000, respectively. Base salaries are used to recognize the experience, skills, knowledge, and responsibilities required of all of our employees, including our named executive officers, and are set by our Compensation Committee, taking into consideration recommendations from management based on each employee’s annual performance. Certain of our named executive officers are currently party to an

employment agreement that provides for the continuation of certain compensation upon termination of employment. See “—Employment Agreements.”

Our Board of Directors may, at its discretion, award bonuses to our named executive officers from time to time. We typically establish bonus targets for our named executive officers and evaluate their performance based on the achievement of specified goals and objectives by each individual employee. Our management may propose bonus awards to the Compensation Committee of the Board of Directors primarily based on such achievements. Our Board of Directors makes the final determination of the eligibility requirements for and the amounts of such bonus awards. For the fiscal year ended December 31, 2016, the bonus award for Dr. Stotish was \$116,424, which represented 33% of his base salary, awarded for his achievements in progressing the approval process for AquaAdvantage Salmon with the FDA. For that same fiscal year, Mr. Frank received a bonus award of \$66,250 in recognition of his work in obtaining SEC registration of the Company’s stock, and Dr. Rojas received a bonus award of \$5,000 for his achievements in progressing the planning of our North American operations strategy. No bonus awards were made to any named executive officer for 2017.

Although we do not have a formal policy with respect to the grant of equity incentive awards to our executive officers, or any formal equity ownership guidelines applicable to them, we believe that equity grants provide our executives with a strong link to our long-term performance, create an ownership culture, and help to align the ownership interests of our executives and our stockholders. In addition, we believe that equity grants with a time-based vesting feature promote executive retention because this feature incentivizes our executive officers to remain in our employment during the vesting period.

Employment Agreements

We have formal employment agreements with Dr. Stotish, Dr. Rojas, Mr. Frank, and Christopher Martin, our General Counsel. Each agreement provides for the payment of a base salary, an annual bonus determined at the discretion of our Board of Directors based on achievement of financial targets, and other performance criteria and, for Dr. Stotish, a one-time grant of 3,000 stock options.

Each agreement will remain in effect unless and until terminated in accordance with the terms and conditions set forth in the agreement. Mr. Frank’s agreement provides that employment may be terminated by either us or the employee after giving the other not less than twelve months’ notice. Mr. Martin’s agreement provides that employment may be terminated by either us or the employee after giving the other not less than nine months’ notice. Dr. Rojas’ agreement provides that employment may be terminated by us after

giving to Dr. Rojas not less than twelve months' notice, and by Dr. Rojas after giving to us not less than one month's notice. During these respective notice periods, we have the right to terminate employment prior to expiration of the notice period by paying the employee a sum equal to his basic salary and benefits during the notice period. Dr. Stotish's agreement does not contain termination notice requirements applicable to his current employment.

In addition, under each agreement, we may terminate the employee's employment without notice or payment at any time for cause. For these purposes, "cause" means any of the following:

- performance by the employee of his duties in a manner that is deemed consistently materially unsatisfactory by our Board of Directors in its sole and exclusive discretion;
- willful and material failure or refusal by the employee to perform his duties under the employment agreement (other than by reason of the employee's death or disability);
- certain breaches or nonobservance by the employee of the provisions of the employment agreement or directions of our Board of Directors or of rules issued by a stock exchange on which our securities are listed;
- any intentional act of dishonesty, fraud, or embezzlement by the employee or the admission or conviction of, or entering of a plea of *nolo contendere* by, the employee of any felony or any lesser crime involving moral turpitude, dishonesty, fraud, embezzlement, or theft;
- any negligence, willful misconduct, or personal dishonesty of the employee resulting in a good faith determination by our Board of Directors of a loss to us or a damage to our reputation;
- any failure by the employee to comply with our policies or procedures to a material extent;
- the employee commits any act of deliberate unlawful discrimination or harassment;
- in the case of Dr. Stotish, the employee is adjudged bankrupt or enters into any composition or arrangement with or for the benefit of his creditors;
- the employee becomes of unsound mind or a patient for the purposes of any law relating to mental health; or
- the employee becomes prohibited by law from being an employee.

Each agreement also contains confidentiality and noncompetition provisions that we believe are typical for agreements of this type.

401(k) Plan

We provide an employee retirement plan under Section 401(k) of the Code (the "401(k) plan"), to all U.S. employees who are eligible employees as defined in the 401(k) plan. Subject to annual limits set by the Internal Revenue Service, we match 50% of eligible employee contributions up to a maximum of 3% of an employee's salary, and vesting in our match is immediate. We made contributions in connection with the 401(k) plan during the years ended December 31, 2017 and 2016, of \$31,308 and \$33,422, respectively.

Registered Retirement Savings Plan

We also have a Registered Retirement Savings Plan for our Canadian employees. Subject to annual limits set by the Canadian government, we match 50% of eligible employee contributions up to a maximum of 3% of an employee's salary, and vesting in our match is immediate. We made contributions in connection with this plan during the years ended December 31, 2017 and 2016, of \$26,578 and \$21,777, respectively.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, file reports of ownership and changes in ownership (Forms 3, 4, and 5) with the SEC. Executive officers, directors, and greater than 10% beneficial owners are required to furnish us with copies of all of the forms that they file.

Based solely on our review of these reports or written representations from certain reporting persons, we believe that during the fiscal year ended December 31, 2017, our officers, directors, greater than 10% beneficial owners, and other persons subject to Section 16(a) of the Exchange Act filed on a timely basis all reports required of them under Section 16(a) so that there were no late filings of any Form 3 or Form 5 reports or late Form 4 filings with respect to transactions relating to our common stock.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the section captioned “Executive Compensation and Other Information” with management. Based on such review and discussion, the Compensation Committee has recommended to the Board of Directors that the “Executive Compensation and Other Information” section be included in this proxy statement.

Agreements with Intrexon

Stock Purchase Agreement

On November 7, 2016, we entered into a Stock Purchase Agreement with Intrexon, pursuant to which we sold to Intrexon 2,421,073 shares of our common stock for proceeds of approximately \$25 million. This sale of shares under the Stock Purchase Agreement closed on January 18, 2017, in connection with the Distribution (see “NASDAQ Listing and Intrexon Distribution,” above).

Exclusive Channel Collaboration Agreement

In February 2013, we entered into an Exclusive Channel Collaboration Agreement with Intrexon (the “ECC”), pursuant to which we are permitted to use certain technology platforms of Intrexon to develop and commercialize additional genetically modified traits in finfish for human consumption. The ECC grants us a worldwide license to use certain patents and other intellectual property of Intrexon in connection with the research, development, use, importing, manufacture, sale, and offer for sale of products involving DNA administered to finfish for human consumption. This license is exclusive with respect to any development, selling, offering for sale, or other commercialization of developed products but otherwise is non-exclusive.

Under the ECC and subject to certain exceptions, we are responsible for, among other things, the performance of the program, including development, commercialization, and certain aspects of manufacturing developed products. Among other things, Intrexon is responsible for the costs of establishing manufacturing capabilities and facilities for the bulk manufacture of certain products developed under the program; certain other aspects of manufacturing; costs of discovery-stage research with respect to platform improvements; and costs of filing, prosecution, and maintenance of Intrexon’s patents.

We agreed to pay Intrexon, on a quarterly basis, 16.66% of the gross profits calculated for each developed product. We also agreed to pay Intrexon 50% of the quarterly revenue obtained from a sublicensee in the event of a sublicensing arrangement. In addition, we agreed to reimburse Intrexon for the costs of certain services provided by Intrexon. The total Intrexon service costs incurred under the ECC during 2017 were approximately \$562,039, of which approximately \$135,301 was reflected as an account payable in the consolidated balance sheet as of December 31, 2017.

The ECC may be terminated by either party in the event of a material breach by the other. Intrexon may terminate the ECC (a) if we elect not to pursue the development of a “superior animal product” identified by Intrexon or (b) under certain circumstances if we assign our rights under the ECC without Intrexon’s consent. We may voluntarily terminate the ECC at any time upon 90 days’ written notice to Intrexon. Upon termination of the ECC, we may continue to develop and commercialize any collaboration product that, at the time of termination, (x) is being sold by us, (y) has received regulatory approval, or (z) is the subject of an application for regulatory approval. Our obligation to pay 16.66% of the gross profits and 50% of the quarterly revenue obtained from a sublicensee with respect to these “retained” products will survive termination of the ECC.

Relationship Agreement

In December 2012, we entered into a Relationship Agreement with Intrexon (the “Relationship Agreement”), which sets forth certain matters relating to Intrexon’s relationship with us as a major stockholder. The Relationship Agreement was entered into in connection with the acquisition in October 2012 by Intrexon of shares of our common stock constituting 47.56% of our outstanding share capital from Linnaeus Capital Partners B.V. and Tethys Aquaculture Canada, Inc. (doing business as the Center for Aquaculture Technology Canada), our former major stockholders.

Pursuant to the Relationship Agreement, we agreed to increase the size of our Board of Directors from three members to six members and to appoint three nominees of Intrexon (“Intrexon Nominees”) as directors with terms expiring at the annual meeting of stockholders held on July 10, 2013. Intrexon nominated Messrs. Thomas Barton, Thomas Kasser, and James Turk to serve as directors. Each was appointed to our Board of Directors on February 14, 2013. In addition, we agreed that, so long as the Relationship Agreement remains in effect and Intrexon and its affiliates together control 25% or more of the voting rights exercisable at meetings of our stockholders, we will (a) nominate such number of Intrexon Nominees as may be designated by Intrexon for election to our Board

of Directors at each annual meeting of our stockholders so that Intrexon will have representation on our Board of Directors proportional to Intrexon's percentage shareholding, rounded up to the nearest whole person, and (b) recommend that stockholders vote to elect such Intrexon Nominees at the next annual meeting of stockholders occurring after the date of nomination. Subsequent to entering into the Relationship Agreement, we increased the size of our Board of Directors from six members to seven members, and Intrexon nominated Mr. Sterling to fill the Board vacancy. Mr. Sterling was appointed to our Board of Directors on September 13, 2013. On May 30, 2014, Mr. Barton resigned as a director, and Intrexon nominated Ms. St.Clare to serve as a director. Our Board of Directors approved and appointed Ms. St.Clare to the Board of Directors on May 30, 2014. On October 27, 2015, Mr. Kasser resigned as a director, and Intrexon nominated Mr. Bobo to serve as a director. Our Board of Directors approved and appointed Mr. Bobo to the Board of Directors on October 27, 2015.

In addition, we and Intrexon agreed that, so long as Intrexon and its affiliates control 10% or more of the voting rights exercisable at meetings of our stockholders, for any time period for which Intrexon has reasonably concluded that it is required to consolidate or include our financial statements with its own:

- we will maintain at our principal place of business (i) a copy of our certificate of incorporation and any amendments thereto; (ii) a copy of the Relationship Agreement; (iii) copies of our federal, state, and local income tax returns and reports; and (iv) minutes of our Board of Director and stockholder meetings and actions by written consent in lieu thereof, redacted as necessary to exclude sensitive or confidential information;
- we will keep our books and records consistent with United States generally accepted accounting principles ("U.S. GAAP");
- Intrexon may examine any information that it may reasonably request; make copies of and abstracts from our financial and operating records and books of account; and discuss our affairs, finances, and accounts with us and our independent auditors;
- as soon as available, but no later than ninety days after the end of each fiscal year, we will furnish to Intrexon an audited balance sheet, income statement, and statements of cash flows and stockholders' equity as of and for the fiscal year then ended, together with a report of our independent auditor that such financial statements have been prepared in accordance with U.S. GAAP and present fairly, in all material respects, our financial position, results of operation, and cash flows;
- as soon as available, but no later than forty-five days after the end of each calendar quarter, we will furnish to Intrexon an unaudited balance sheet, income statement, and statements of cash flows and stockholders' equity for such period, in each case prepared in accordance with U.S. GAAP; and
- as requested by Intrexon, but no more than quarterly, we will provide to Intrexon (i) a certificate of our Chief Executive Officer or Chief Financial Officer certifying as to the accuracy of our books and records and the adequacy of our internal control over financial reporting and disclosure controls and procedures and (ii) any information requested by Intrexon for purposes of its compliance with applicable law.

The Relationship Agreement and related documents also provide for certain confidentiality obligations between the two parties. The Relationship Agreement will continue in full force and effect until Intrexon and its affiliates cease to control 10% or more of the voting rights exercisable at meetings of our stockholders.

Intrexon Participation in Public Offering

On January 17, 2018, we completed a public offering of 3,692,307 shares of our common stock and 4,246,153 warrants for net proceeds of approximately \$10.6 million. Intrexon participated in this offering, purchasing 1,538,461 shares of our common stock and 1,538,461 warrants for a total of \$5 million.

Policies and Procedures for Review of Related Person Transactions

Our Board of Directors has adopted a written policy with respect to related person transactions. This policy governs the review, approval, and ratification of covered related person transactions. The Audit Committee of the Board of Directors manages this policy.

For purposes of this policy, a "related person transaction" is a transaction, arrangement, or relationship (or any series of similar transactions, arrangements, or relationships) in which we (or any of our subsidiaries) were, are, or will be a participant, and in which any related person had, has, or will have a direct or indirect interest. For purposes of determining whether a transaction is a related person transaction, the Audit Committee relies upon Item 404 of Regulation S-K promulgated under the Exchange Act.

A "related person" is defined as:

- any person who is, or at any time since the beginning of our last fiscal year was, one of our directors or executive officers or a nominee to become one of our directors;
- any person who is known to be the beneficial owner of more than 5% of any class of our voting securities;

- any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the director, executive officer, nominee, or more-than-five-percent beneficial owner and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee, or more-than-five-percent beneficial owner; and
- any firm, corporation, or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a 10% or greater beneficial ownership interest.

The policy generally provides that we may enter into a related person transaction only if:

- the Audit Committee pre-approves such transaction in accordance with the guidelines set forth in the policy;
- the transaction is on terms comparable to those that could be obtained in arm's-length dealings with an unrelated third party, and the Audit Committee (or the chairperson of the Audit Committee) approves or ratifies such transaction in accordance with the guidelines set forth in the policy;
- the transaction is approved by the disinterested members of the Board of Directors; or
- the transaction involves compensation approved by the Compensation Committee of the Board of Directors.

If a related person transaction is not pre-approved by the Audit Committee, and our management determines to recommend such related person transaction to the Audit Committee, such transaction must be reviewed by the Audit Committee. After review, the Audit Committee will approve or disapprove such transaction.

In addition, the Audit Committee reviews the policy at least annually and recommends amendments to the policy to the Board of Directors from time to time.

The policy provides that all related person transactions will be disclosed to the Audit Committee and all material related person transactions will be disclosed to the Board of Directors. Additionally, all related person transactions requiring public disclosure will be properly disclosed in our public filings.

The Audit Committee will review all relevant information available to it about the related person transaction. The policy provides that the Audit Committee may approve or ratify the related person transaction only if the Audit Committee determines that, under all of the circumstances, the transaction is in, or is not inconsistent with, our best interests. The policy provides that the Audit Committee may, in its sole discretion, impose such conditions as it deems appropriate on us or the related person in connection with approval of the related person transaction.

AUDIT COMMITTEE REPORT

The following is the report of the Audit Committee with respect to our audited consolidated financial statements for the year ended December 31, 2017, included in our Annual Report on Form 10-K for that period.

Composition and Charter. The Audit Committee of our Board of Directors currently consists of three independent directors, as that term is defined in Rule 5605(a)(2) of the NASDAQ Marketplace Rules: Ms. St.Clare, who serves as Chair of the Audit Committee, and Messrs. Huber and Turk. The Audit Committee operates under a written charter adopted by our Board of Directors and is available on our corporate website (www.aquabounty.com) under "Investor Relations." The Board of Directors and the Audit Committee review and assess the adequacy of the charter of the Audit Committee on an annual basis.

Responsibilities. The Audit Committee assists our Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information that will be provided to our stockholders and others; reviewing our systems of internal control over financial reporting, disclosure controls and procedures, and our financial reporting process that management has established and the Board oversees; and endeavoring to maintain free and open lines of communication among the Audit Committee, our independent registered public accounting firm, and management. The Audit Committee is also responsible for the review of all critical accounting policies and practices to be used by us; the review and approval or disapproval of all proposed transactions or courses of dealings that are required to be disclosed by Item 404 of Regulation S-K that are not otherwise approved by a comparable committee or the entire Board of Directors; and establishing procedures for the receipt, retention, and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters. The Audit Committee also has the authority to secure independent expert advice to the extent the Audit Committee determines it to be appropriate, including retaining independent counsel, accountants, consultants, or others, to assist the Audit Committee in fulfilling its duties and responsibilities.

It is not the duty of the Audit Committee to plan or conduct audits or to prepare our consolidated financial statements. Management is responsible for preparing our consolidated financial statements and has the primary responsibility for assuring their accuracy and completeness, and the independent registered public accounting firm is responsible for auditing those consolidated financial statements and expressing its opinion as to their presenting fairly in accordance with GAAP our financial condition, results of operations, and cash flows. However, the Audit Committee does consult with management and our independent registered public accounting firm prior to the presentation of consolidated financial statements to stockholders and, as appropriate, initiates inquiries into various aspects of our financial affairs. In addition, the Audit Committee is responsible for the oversight of the independent registered public accounting firm; considering and approving the appointment of and approving all engagements of, and fee arrangements with, our independent registered public accounting firm; and the evaluation of the independence of our independent registered public accounting firm.

In the absence of their possession of information that would give them a reason to believe that such reliance is unwarranted, the members of the Audit Committee rely without independent verification on the information provided to them, and on the representations made, by our management and our independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control over financial reporting and disclosure controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Audit Committee's authority and oversight responsibilities do not independently assure that the audits of our consolidated financial statements are conducted in accordance with auditing standards generally accepted in the United States, or that our consolidated financial statements are presented in accordance with GAAP.

Review with Management and Independent Registered Public Accounting Firm. The Audit Committee has reviewed and discussed the quality, not just the acceptability, of our accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements with our management and our independent registered public accounting firm, Wolf. In addition, the Audit Committee has consulted with management and Wolf prior to the presentation of our consolidated financial statements to stockholders. The Audit Committee has discussed with Wolf the matters required to be discussed by PCAOB Auditing Standard No. 16, Communications with Audit Committees. The Audit Committee has received the written disclosures and the letter from Wolf required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with Wolf its independence from us, including whether its provision of non-audit services has compromised such independence.

Conclusion and Appointment of Independent Registered Public Accounting Firm. Based on the reviews and discussions referred to above in this report, the Audit Committee recommended to our Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2017, for filing with the SEC.
